

Role: Kitchen Designer

A very exciting opportunity has arisen to join one of Ireland's leading furniture manufacturer, based in Ardee, Co Louth.

We are recruiting for an experienced kitchen designer with ideally a qualification in interior designer or related field.

Requirements

- 3rd level qualification in Furniture and/or Design related
- Proven track record (3 years) in the kitchen and fitted furniture industry or similar business.
- Proven experience in technical design with kitchens to produce detailed production drawings.
- Strong computer skills in MS Office 365 (Excel, PowerPoint etc.)
- Design Software such as AutoCAD, Fusion, SketchUp, Revit, Solidworks (Swood) or similar systems.
- Proven ability to measure and take accurate site measurements
- Strong product knowledge within the kitchen sector
- Innovative design skills
- Excellent communication skills
- Experience in understand customer's needs, which will enable you to generate creative ideas and solutions to fulfil our clients' requirements
- Good understanding of business and client relations; experience in preparing quotes and sourcing products & materials
- Portfolio of previous work
- Ability to solve problems and co-ordination issues.
- Solid organisational skills, including multitasking and time management
- Manage sensitive information and maintain confidentiality at all times
- Ability to listen, absorb, take and follow instruction along with a positive, can-do attitude
- Fluent English (oral and written)
- The ability to work independently, in a team environment and support team colleagues
- The organisational skills to be able to prioritise workload

Your Role

- Guide clients from the initial point of contact to initial design consultation to final design and fitting, understanding their requirements and exceeding their expectations
- Take full responsibility for the project from inception to completion communicating with every area of our business to ensure every step is completed.

What we offer

- Career progression
- 5 day working week (early finish on Friday circa 1pm)
- 22 Annual Leave Days
- Flexible holidays
- Free car parking
- Bike to work scheme
- Contributory pension (on completion of probation)
